

Unmanned Systems in Defence

Conference

Land Forces 2018

Adelaide, September 6 2018

The Australian Association for Unmanned Systems conference at Land Forces 2018 will attract Defence, Industry & Academia from around the world to present, promote and discuss unmanned technologies.

The 2018 conference will be held at the Adelaide Convention Centre during the Land Forces event (September 4-6, 2016) and will focus on unmanned technologies relevant to future defence programs, particularly land force applications.

The themes will include unmanned technologies relevant to LAND 129 Phase 4, Land 129 Phase 3, SEA 129 Phase 5, AIR 7000 Phase 1b, AIR 7003 in addition to the latest leading edge research and development.

This conference is supported by key Defence program personnel from CASG, RAAF, RAN, Army and DSTG.
