<b>Why Attend?</b>	<p>Listen to presentations, network and engage with industry leaders to understand the state of play in the rapidly developing RPAS industry and how it will affect you.</p> <p>This years' conference will be held in conjunction with the inaugural AAUS Gala Dinner incorporating industry awards.</p>

## Conference Themes

- Policy and Regulatory updates from CASA, Airservices Australia and the Australian Defence Force
- Airspace and air traffic management (ATM & UTM)
- Australian very low level airspace environment, challenges and opportunities
- Defence plans for RPAS use in domestic civil airspace
- Lessons learned from complex RPAS operations with focus on BVLOS
- JARUS SORA approach
- Industry Challenges and perspectives
- Traps and Lessons Learned for RPAS Operations
- Training RPAS operators
- Controlling illegal RPAS operators
- ATSB RPAS data and trends
- Emerging technology and innovative Solutions Enabling RPAS Integration into Australian Airspace
- Detect and Avoid Concepts
- Emerging Standards for RPAS

## Event Format

The conference will include both formal presentations and audience interactive panel sessions.

In addition, there will be limited exhibition space for sponsors.

There will be plenty of time to network throughout the event during fully catered morning, afternoon and lunch breaks.

## AAUS Gala Dinner

This years' RPAS in Australian Skies conference will run in conjunction with the inaugural AAUS Gala Dinner and will incorporate industry awards. The Gala Dinner is available at additional cost and provides a great opportunity to celebrate industry achievements and network.

The AAUS Gala Dinner will be held on the evening of Wednesday July 17, 2019 at the National Convention Centre. It should be great fun.

You can package the cost of the gala dinner with registration for your team under our sponsorship packages.

## Why Sponsor?

AAUS is a not for profit organisation that performs significant advocacy work on behalf of its members and industry. Our objective is to promote a safe and viable unmanned system industry. We also focus on providing quality and focussed events that address key issues for the unmanned systems industry.

By supporting the conference through sponsorship, you will be recognized for your commitment in supporting the efforts of AAUS. In addition, your company can be promoted while sending a small team to participate in the event and network with other industry professionals.
